Public transport

The Princess Máxima Center is located opposite the Wilhelmina Children's Hospital (WKZ) in the Utrecht Science Park and is easily accessible by public transport. For a complete overview, see www.usp-bereikbaar.nl. From Utrecht Central Station, tram 22 stops at the Princess Máxima Center. You get off at the second to last stop WKZ/Máxima, opposite the entrance of our center. Bus 28 also stops here. **Visitors or parents who park in P+R Utrecht Science Park can take tram 22 or bus 28 to the Máxima (one stop, journey takes 1 minute).**

By bicycle

For children, parents or visitors travelling by bike, you can plan your route via Google Maps. **Note:** The Princess Máxima Center is opposite the WKZ and has its own entrance for bicycles, mopeds/scooters and cars/motorbikes. When arriving at the WKZ, do NOT go left to the WKZ's carpark and bicycle parking, but cross the tram and bus lane at the traffic lights and drive onto the Hoofddijk. From the Hoofddijk, turn left onto the paved road, continue past our building to the bicycle parking, left of the main entrance. **Bicycle Parking:** The bicycle parking facility is located on the left next to the main entrance. You have free access to this but you do need an access card (available from reception).
